

ART AFTER DARK DISRUPT

FINE ARTS

About The Exhibition

Disruption awakens the mind causing it to flourish and explore new possibilities. Those new possibilities are explored through the art work at the first Art After Dark Exhibition Series. Our artists are driving people to question the direction of art in China, and what is considered "art". We hope through this exhibition we can tear down a barrier between artists and the community and explore together the direction of art in a relaxed nightlife atmosphere.

'Disrupt' 唤醒了思想，使其蓬勃发展并探索新的可能性。通过第一届Art After Dark展览系列的艺术作品探索了这些新的可能性。我们的艺术家正在驱使人们质疑中国的艺术方向，以及被认为是“艺术”的东西。我们希望通过这次展览，我们可以打破艺术家和社区之间的隔阂，在轻松的夜生活氛围中共同探索艺术的方向。
